

Vol. XX. January 2021 Issue I.

1st Sergeant's Column

Alright everyone it's time to start gearing up for our F Co. Annual Membership meeting which will be held on Saturday, 20 February 2021 at the Mechanicsville, VA Public Library. Our usual site at Chimberazo w/the Richmond National Battlefield was not available for our use, however, LT Clements located the library meeting space for our use.

The meeting will begin at 10:00AM and run no later than 3:00PM. Please note this will be a face-to-face meeting so please bring your masks in order to gain admission to the library building, and other measures you feel are personally necessary in maintaining your health, however, you need to be present as F Co works its way thru the potential 2021 campaign season.

See the attached agenda and outline of planned schedule of events for the 1st quarter of 2021. Please note it's going to be necessary for us at the beginning of 2021 to literally create our own events as there are almost no historic sites or venues which have committed to holding events in 2021 to date.

Directions: For GPS purposes the library physical location is 7461 Sherwood Crossing Place, Mechanicsville, VA 23111. General directions: Follow I-295 around the northside of Richmond taking Exit 37 toward Tappahannock (Hwy 360 East), go about one mile and turn left next to Arby's. The library building is located behind the Arby's and Cook Out.
